

## DELEGATE BIOGRAPHY

### Switzerland - Delegate Biography

<b>First Name</b>	Patrick	
<b>Last Name</b>	Albert	
<b>Title/Position</b>	Vice-President	
<b>Affiliation</b>	CSEM SA	
<b>Email</b>	patrick.albert@csem.ch	

Patrick ALBERT is Vice-President, Micro&Nano Systems, at CSEM SA.

He joined CSEM in May 2013 from Melexis Technologies, where he was a member of the Senior Management board, in charge of the Wireless Business Unit and Corporate Innovation process. Prior to joining Melexis, Patrick worked in various senior management positions at several medium size MEMS companies (Colibrys, Memscap). His early career included positions at STMicroelectronics and Philips Communications Systems.

As private investor, he holds some equity into several high tech companies located in French speaking Switzerland and Hong-Kong.

Mr. ALBERT holds a Master's Degree in Telecommunications, major micro-electronics from Ecole Nationale Supérieure des Telecommunications in France and a MBA from Institut d'Administration des Entreprises also in France. French national, he is married and has two children.
